We Live From A Place Of Victory!

By Wanda Wilkins

God is raising up His Body in the earth realm to look more like Him!!! There's a restoration of the manifestation of the POWER OF HIS KINGDOM operating in the lives of those who want and love HIS presence!!!

The Holy Spirit is fanning away dark lies that have covered the lives of God's people and He is awakening us, alerting us, encouraging us and strengthening us with a fresh baptism of His love and power!!!

The Holy Spirit is revealing hindrances, things within us that can limit us in what we are able to receive from God! It is our responsibility as God's ambassadors to know God well enough to properly display Him so that we cause people to know His love and His mercy and want more of Him!!!

I believe we, as God's family in the earth, need to take a good solid year to soak in the knowledge of God's love for us and his mercy towards us so that we are freer to receive more from Him on our own behalf and on behalf of others. We limit our Father God when we are limited in our knowledge about Him. We limit Him when we foolishly forget that He is not like man and does not hold things against us! We also limit God when we have a distorted image of who we are.

Now, let's eat some Morsels!

First, let's take a small but chunky bite of God's Word to understand more of who we are:

(1) We are the very righteousness of God Himself through His Son Jesus, the Christ! What does that mean? It means that we are completely and without any reservations whatsoever accepted by God because of the Blood of Jesus and not only that, we have God's divine nature in us (2 Peter 1:4)!!! Our sins have been completely eradicated at the cross of Jesus Christ!!! Hebrews 10:17, "I will forgive their iniquity and will remember their sin no more." Our sins are abolished forever! God is not holding our sins against us!

(2) Ephesians 2:10 says we are God's "workmanship". The Greek meaning of that word is "masterpiece"! We are God's masterpiece and incredibly beautiful!!! He looks at His masterpiece and rejoices over it!!! (Zeph. 3:17) God is rejoicing over you!

Now let's digest the previous with this:

The heart of God is revealed through Christ and Acts 10:38 tells us that Christ went about doing good and healing ALL who were oppressed by the devil! God is good! He's always good and He's always good to ALL! He made His compassionate nature to forgive, show mercy and bless clear through

His Son Jesus the Christ! Jesus is the true representation of the heart and nature of God!!! The Pharisees and the Sadducees were good on rejection, punishment and denying their own sins. By their lack of truth, love and mercy, they misrepresented God! God does not hold our sins against us! He loves us and fully restores us back to Himself!

When our hearts are overflowing with the fullness of this knowledge, we have no problem believing God to do great and awesome things in our lives! The heart is the very core of our being! It is our spirit man! It is how we receive from God. Romans 10:10 tells us "it is with the heart one believes unto ..." – Now that scripture says "unto righteousness" but if you're not believing unto righteousness, you can believe unto something else! What do you believe about you and what do you believe about God? Make a quality decision right now that you are only going to believe what the Word of God says about you and you are only going to believe what the Word of God says about God!

Let me help you. By believing in Christ, you become the very righteousness of God! Stop! That's who you are! No works involved. Just believe. You are God's masterpiece! You are incredibly beautiful! God loves you and is rejoicing over you!!!

God is love! He not only loves you, He is love! He is rich in mercy! The Blood of our Lord Jesus Christ cries out "forgiveness" all day long, forever! And God wants to give, bless, and do whatever it is you are willing to believe Him to give, bless, and do! That's how much He loves you!

In order to represent our Father well, we have to allow our hearts to take on the resemblance of Christ by shaping it with the Word of God, cramming it in our hearts so that we imitate and represent the true heart of God to a world that does not know Him! You are God's masterpiece and He that began a good work in you He is faithful to complete it! Enjoy these healthy thoughts all day long!

Loving you in Christ and
Living from a Place of Victory!

Wanda Wilkins
