

# BLAZE OF GLORY

*Reporting Blazing Trails of His Glory in the Earth!*

Newsletter Vol. 1 January 2015

## Back to the Soils of Namibia!

*By Minister Clarice Alcock*

Initially, we didn't plan to have a conference as Pastor Jack told me that he planned to come to Namibia to meet with former friends, spiritual sons and daughters, to visit us, spend time with us and to encourage those who became their close friends during the time they ministered here in Namibia. I contacted many alumni from MLTI, who graduated from the school and we all saw it fit that Pastor Jack and Minister Wanda Wilkins should minister to us as they did before, so we insisted on having a conference with them during their visit to Namibia, from 18 Nov. - 02 Dec. 2014.

The good news of their visit to Namibia spread like wild fire and excitement and expectation built up as we prepared for the conference. Some friends formed a prayer group, which met weekly to pray and "prepare the ground," so to speak, as we knew that the

- Testimonies from US
- Causing Negative Winds to Shift!

One of the Sessions from the Conference

## Back to the Soils of Namibia (continued from page 1)

as we knew that the people were hungry and wanted more revelation and wisdom from God's word to enrich their lives, and as we know that our God is faithful, He, indeed, did not disappoint us!

From the very first service, we enjoyed the presence of the Holy Spirit every day and in all the meetings. Many got filled and refilled with the Holy Spirit and overflowing joy as the man and woman of God ministered to us. Some people experienced for the first time, getting drunk and slain in the Spirit, to the extent that we burst in uncontrollable laughter, experiencing the glory of God as the Holy Spirit manifested in the meetings! It was like a fresh wind that entered into our lives like never before, breaking yokes of bondage and depression, and our joy was restored. A great peace and joy took over and remained with us till now, long after the conference is over and our pastors went back to America.

During this time, we experienced a deeper life of worship, gratitude and admiration of our wonderful Father God, Jesus our Savior and our Comforter, the Holy Spirit, through the worship sessions, and our lives will never be the same, after we have tasted the sweetness of intimacy with God. We learnt to take time to enter into the most Holy place through setting time aside just to seek His face and worship our Father. Some people, whom pastor prayed for, received healing from sickness and diseases and received deliverance from depression.

## Our Outreach to Namibia

The hospitality was overwhelmingly sweet! We were greeted at the airport by a large group of loving people who loudly cheered as we walked out of baggage claims. Wow! We will never forget that greeting and the love displayed on this first of many return trips!

We had a chance to see and meet with several alumni and former church members who were very excited about our return. Some had traveled from far places to meet us there.

The atmosphere of each meeting was charged with God's presence and we saw many lives touched by Him.

We were blessed to hear the testimonies of many who had also benefitted from our previous work in Namibia of almost 6 years. Many now have successful businesses and many had received major healings in their bodies that have remained.

One major event that took place in this trip, aside from people receiving the baptism of the Holy Spirit, physical healings, restored marriages, etc., was the start of Oasis of Manna Church – Namibia. Glory to God! We were overwhelmed by the response of the people that supported this endeavor and we know God's hands are on it.

We are grateful to God to all who supported our return back to this beautiful country to once again serve its lovely people! Namibia will always be a part of our lives! We are connected forever! Thank you so much!

## A SPECIAL THANKS

### TO ALL OF OUR SPONSORS AND SUPPORTERS:

Thank you so much for making this outreach a success! You are cherished in our hearts forever! Many lives were touched by God, including ours! So, thank you, thank you, thank you!!!

A special thanks to our prayer warriors in Namibia and the US for your very much needed prayer support.

A special thanks again to the great team that arose in Namibia for this event. Without mentioning names, you know who you are! Thank you so much for the many hours of your precious time and the resources sown to make sure this event was successful in every way!

We know our Heavenly Father is going to reward you greatly!!! So many people gave and we are truly grateful!!! Thank you!!!

We are returning in 2015 and we pray that you will unite with us again for the purpose of glorifying JESUS together in the earth!

For the Sake of the World!

Pastor Jack & Wanda Wilkins

## ***Keep Drinking!***

So, God is still pouring out His Spirit on us today, more and more! We can have fresh encounters with the Holy Spirit.

Look at Acts 4:31, "And when they had prayed, the place where they had been gathered together was shaken and they were all filled with the Holy Spirit and began to speak the word of God with boldness." They were refilled. It's a sad thing to get stale. You want to stay fresh. Just keep drinking from the Holy Spirit. Ephesians 5:18, "And do not be drunk with wine, which is excess (or a waste of time), but be filled with the Holy Spirit."

## **“Restore to Me the Joy of My Salvation”** *(Psalm 51:2) By Pastor Jack E. Wilkins*

Where does joy come from? From Father God. We think we're supposed to go around sad like we've been sucking on lemons all day but God wants us excited. He wants His family full of joy. Nehemiah 8:10 says, "The joy of the Lord is my strength."

Psalm 16:11 says, "In His presence is fullness of joy."

"Well, I don't have any joy."

"Well, you need to get in His presence."

"Well, I am in His presence."

"Well, you should have joy."

"But I don't have joy."

"Well, you're not in His presence."

There's a supernatural flow and a natural flow. Which one are you in? You have to learn how to just jump on in. Just get in on what God is doing.

Psalm 30:5 says, "His anger is but for a moment." Isn't that wonderful? How many want God to be angry all day long? "His favor is for a lifetime. Weeping may last for a night but," guess what comes in the morning? Joy! Joy! Joy!

Do you believe God laughs? Look at Psalm 37:12. "The wicked plots against the righteous." The next time the enemy threatens you, you should just laugh. Anybody ever plot a scheme against you?

Verse 13 says, the Lord laughs. Ha, ha, ha! The next time you are threatened with a lie from the devil, just laugh. You need to laugh.

"Well, God doesn't love you anymore." Just laugh at that. You know he's lying.

"You're going to die of cancer." "You'll never be good enough" or "You'll never be able to do that." Laugh! God laughs at the enemy's threats.

Verse 13, "For He sees that his day is coming." God has your back.

So, is laughing biblical? Absolutely. Psalm 52:6, "The righteous will see and fear (or have reverence) and will laugh at him."

We laugh at anything that does not line up with the plan of our God. The joy of the Lord is our strength.

God put laughter even in the book of Job. Look at Job 5:22.

Just jump right in. Job 5:21-22, "You shall be hidden from the scourge of the tongue, and you shall not be afraid of destruction when it comes. You shall laugh at destruction and famine. You shall not be afraid of the beasts of the earth."

The next time a dog is chasing you on your way home, you can turn around and laugh at him. The joy of the Lord is our strength.

Learn to flow with the anointing. When the anointing hits and everybody starts laughing, you start laughing.

Psalm 2:1, "Why are the nations in an uproar and the people devising a vain thing? The kings of the earth take their stand and the rulers take their stand together against the Lord and against His anointed ones." That's us. "Let us tear their fetters apart and cast away their cords from us." This is their plot against us. They're ready to take us out and what does the Father say? "He who sits in the heavens shall laugh."

"I can't believe you're coming against My child." Father God laughs.

Ecclesiastes says there's a time to laugh, a time to mourn, and a time to dance. Today is not a day to be sad. "

Psalm 126:1. "When the Lord turned our captivity." Have you ever been in a bind and the Lord turned it around for you? Sometimes it takes up to the very last minute before it turns around. That's why we have to learn how to stand. That's when endurance comes in. James said, "Count it all joy when you fall into different temptations, tests and trials, knowing this: That the proving of your faith produces endurance." You have to have joy to help you through it. I remember once, I was in no laughing mood, but I made myself laugh and before long, I started laughing and laughing and laughing with the Holy Spirit. I began to drink from the Holy Spirit. You can do this by faith.

"Father, I want to get drunk in the Holy Spirit. I want to be able to laugh by the Holy Spirit." Then, just do it!

In fact, doctors have already proven that laughing has healing qualities to it. They have already done tests at universities proving that laughter releases enzymes in your brain that cause healing. Laughter even strengthens your immune system. God created laughter. Do it by faith. Take God's word and just drink. Ha, ha, ha, ha, ha.

"Well, nothing happened."

Well, you really hung in there, tough guy. Praise God for your one minute of endurance.

You're not hungry enough. You don't really want it. When the joy of the Lord comes upon you, it is so good and so refreshing. I pray that it will also get in your feet and cause you to dance before God!

What happens when God turns your captivity? Psalm 126:1. "We were like those that dream. Then were our mouths filled with laughter."

Sometimes you have to stand past the deadline, but don't give up because it will manifest. The joy of the Lord is our strength.

"Our mouths were filled with laughter and our tongues were filled with joyful singing."

Have you ever seen a drunk person? They don't have a care in the world. They can look at a bowl of tomatoes and laugh. What is he laughing at?

Jesus, one day when talking to His disciples, said, "Beware of the leaven of the Pharisees." Do you not hear? Do you not perceive? Do you not remember?"

If you're having a hard time hearing from God in your circumstances, then remember. Think back on the things He has done for you and others. Begin to thank him and maybe you'll start laughing. Reminisce on past victories.

Look at verse 2 of Psalm 126. "The Lord has done great things for them." Yes, He has! "Whereof we are glad" because God has done great things for us!

(continued on page 6)

Let's go over to Acts 2:4. Jesus said you will receive power once the Holy Spirit has come upon you, and in verse 4 of chapter 2, they got filled with the Holy Spirit and began to speak in other tongues as the Holy Spirit gave them the utterance. They were drunk in the Holy Spirit and people were able to see it. They were laughing and rejoicing and praying in tongues. A lot of activity was going on.

In verse 17, Peter, taking a stand with the eleven, raised his voice and declared to them, 'Let this be known to you. For these men are not drunk as you suppose. This is only the third hour of the day, but this is what was spoken through the Prophet Joel and it shall be in the last days, God says, that I will pour forth my Spirit on all flesh and your sons and daughters shall prophecy.'

### ***Keep Drinking!***

So, God is still pouring out His Spirit on us today like never before! We can have fresh encounters with the Holy Spirit.

Look at Acts 4:31, "And when they had prayed, the place where they had been gathered together was shaken and they were all filled with the Holy Spirit and began to speak the word of God with boldness." They were refilled. It's a sad thing to get stale. You want to stay fresh. Just keep drinking from the Holy Spirit. Ephesians 5:18, "And do not be drunk with wine, which is excess (or a waste of time), but be filled with the Holy Spirit."

We are supposed to get drunk on the Holy Spirit. We are supposed to keep drinking from the Holy Spirit. It's a matter of fellowshiping with Him. Keep crying out for more of Him. Be a good steward over the little that you do have and cry out for more. Let the Holy Spirit become your very, very best friend here in the planet earth. How does He become my best friend? Always acknowledge Him. Before you study, "Holy Spirit, open my eyes." Before you go to work, "Holy Spirit, I need you today." Always be conscious of the Holy Spirit. Always be aware of His presence. Before you go to sleep, acknowledge God. Set your mind on Him. You don't have to worship yourself to sleep but just be conscious of Him.

We took a moment to acknowledge Him and set our minds on Him and we all felt His presence in the room. Set your affection on Him. Do that before you go to bed at night. You will sleep like a baby. That's what this whole redemption was about, to get Heaven inside of us. The Kingdom of God is within the Holy Spirit. Verse 19 of Ephesians 2, "speaking to yourselves in Psalms, hymns and spiritual songs," songs that the Lord gives you. "Singing and making melody in your hearts to the Lord."

If you need to be refreshed, sit down for a moment, set your mind on Him and stir up the joy by laughing and praising Him! In just a moment, you will be refreshed with new strength! |

## ***Bone Disorder Healed***

***By Alexia Aligo***

OMC—Namibia

### **God is Good. Trust in Him. He is a Healing God.**

I experienced bone growth in my right heel in 2008. This bone growth with giving me a lot of problems of not walking or standing for a long time. During that time, I visited my medical doctor whereby he told me that I must go under an operation that was worth N\$40,000. To go further, I told Pastor Jack and Minister Wanda in 2010 about this sickness I was going through. We prayed together to receive my healing. After we prayed, Minister Wanda encouraged me to trust the Lord for healing. I personally trusted in the Lord to get that amount for the operation, but at the end, I did not receive that money but I received healing. According to Ephesians 3:20, let's give the glory to the Lord forever and ever amen. God can perform or do miracles beyond our imaginations.

Pastor Jack and a Minister Wanda Wilkins, I really give thanks to the Lord for using the man and woman of God to teach us the way we should be in the Lord and to know the authority that we have in Christ Jesus, our Lord and Savior. Throughout your teaching, my life has changed. God has blessed me with my own business, employing others. The book of Proverbs 13:20, "He who walks with the wise grows wise." Glory and honor be to our God. |

# God Has Opened Doors!

*By Margalene V. Maamberua*

I attended OMC—Namibia the conference from Friday, 21 November 2014, through the 23rd November, on the Sunday.

On the evening session, 23rd of November, Sunday, if I'm not mistaken, I think Minister Wanda said that "there's doors opening for the week. Go and take your blessings," and I quote it.

On the 26 November 2014, Wednesday, at ten o'clock in the morning, I received a call from the head of department (HOD) at Spesbona Primary School in Otjiwarongo, where she informed me to come to Otjiwarongo and fill in an application for next year's teaching post at the school. The same day, I arrived in Otjiwarongo and slept there. The next morning of 27th of November, on the Thursday, I went to school and I filled in the application form. Meaning as from next year, I will become a teacher at Spesbona Primary School in Otjiwarongo. The devil was fighting this post, but at the end, I became a winner. I was praying and confessing that this door is opened for me. This post is mine, in Jesus name. And it manifested. "Faith is action." Because the moment I reach at school, the HOD said that she wanted to cancel my appointment. The teacher who was supposed to go, she will work next year, the first quarter. Then, I can fill from the second term. The reason I arrived there, they decided to give me another post of another teacher who is also going to another school. I got a breakthrough there!

## *Salvation is Free!*

The Bible gives some specific instructions that you are to follow in order to become a Christian, or in order to be born again. Look at [Romans 10:8-11](#):

...The word is nigh thee, even in thy mouth, and in thy heart: that is, the word of faith, which we preach; That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. For the scripture saith, Whosoever believeth on him shall not be ashamed.

Jesus said, "Him that cometh to me I will in no wise cast out" ([John 6:37](#)). **No matter what kind of sinner you are, no matter what you have done, you can go to Jesus and He will accept you.** Once you go to Him, then He will cause you to be born again. He will re-create you, and that sin which has been plaguing you will be a thing of the past. It will be gone. **You will be accepted before God as if you have never sinned!** (continued on page 11)

It means from 2015, I will become a teacher and I trust God that it will be for the rest of my life. I praise God and thank God for my pastor who teach me about faith and releasing the supernatural. I thank God for the power he deposited in my spirit and brought me to success. Amen! Glory!|

# Awakening to His Glory

## By Mary Fisher

Where do my husband and I begin to explain how Oasis of Manna Church (OMC) has impacted our spiritual walk since its inception? Never before have we belonged to a church where the presence of the Lord is always flowing in each service. The fire of the living God prior to OMC was just biblical for us and not an everyday occurrence in our daily lives. The glory of the Lord has poured out upon our lives like never before. We can truly see ourselves seated in Heaven at the right hand of our Lord and Savior, Jesus the Christ. OMC has made the Bible come alive in our lives and we see ourselves as active participants in the presence of the Lord doing His mighty works that Jesus said we will do because He goes to the Father to prepare a place for us. OMC has clearly shown us that we don't have to wait until we get to Heaven to have Heaven right here on Earth. We can experience the Third Heaven right here on Earth on a regular basis. We've learned that we should long/thirst for the fire of God in our lives. For our God is a consuming fire and we should always be on fire for the one and only true God. We have learned to ask for more of God's glory in our lives as we strengthen our relationship with Him.

In addition, OMC has opened our eyes to who God truly is to us and who we are to Him. God is real and those who seek Him will find Him. Oh, yes! God does speak to His children as well. He is no respecter of persons. Those who have established an intimate relationship with the Father hear Him clearly. OMC has taught us how to usher the presence of the living God in our time of praise and worship, as well as being sensitive to the presence of the Holy Spirit as He manifests Himself in various forms. We've realized how important it is to have the fire of God burning in our lives. For this fire of God is the love of God that He pours upon those who are on fire for Him. This love reveals who God truly is and whom we are in the sight of God. This love is smeared upon us more and more as we deepen our fellowship with the Father.

For many years, both my husband and I have been trying to find out our purpose here on Earth. We knew that we all were created for more than just procreation. OMC showed us how to spend time with the Holy Spirit and ask Him to reveal to us our true callings. Sure enough the Holy Spirit did just that and more. Holy Spirit gave both of us a look into our future regarding the direction He is taking us. This revelation has sparked a flame in us for more of God's presence that we refuse to let dwindle.

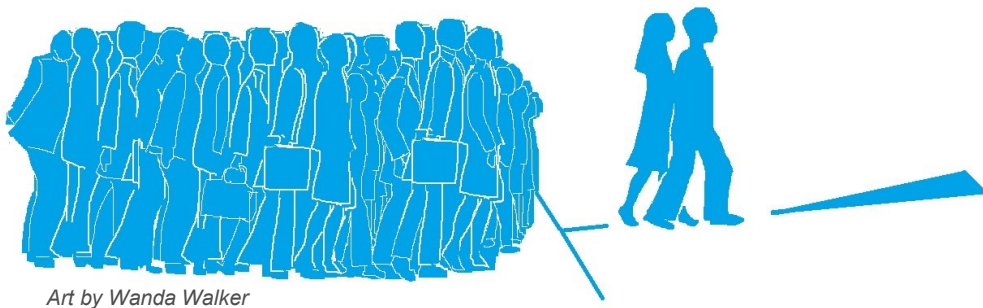

Also, OMC has exposed us to some of God's great generals/elects both inside and outside of the OMC. We have had the opportunity to meet some of God's elects in person. Some of God's elects have spoken things to us that Holy Spirit had already spoken to us about. This exposure has catapulted us to spend more time in the presence of the Father on a regular basis. We can't wait to see what the Father reveals to us next. Most importantly, we look forward to just loving on Father God. |

Clarence & Mary Fisher—OMC-US

“When we think about the vastness of His mercy, we cannot measure its depths! We cannot measure its heights! We cannot measure any aspect of it! The Bible says His mercy is from everlasting to everlasting (Psalm 103:17). How do you measure “from everlasting to everlasting”? You can’t!!! I take this to mean His mercies can never come to an end!”

(Read the full message on page 10)

# Apostle Paul said... “Follow me as I follow Christ”

*By Wanda Walker – OMC-US*

I've been given a wonderful opportunity to share with you the difference Oasis of Manna has made in my life.

I've been attending OMC for about a year and a half and I wished I'd come the day the doors opened. Had I known about it, I would have. The most recent event I'd like to share is the artistic progress I've made.

I have a sewing room in my home created completely for doing all kinds of works and expressions of art, but for a reason I didn't understand, I was uncomfortable using it. At each attempt to express myself, I felt a hindrance that I didn't know how to explain.

On the other hand, each Sunday morning at OMC after we greeted each other individually, Wanda (First Lady) would begin conditioning the atmosphere by praying in the spirit for the success of the service. One morning while I was praying in my living room, it occurred to me that just as she prays for our church on Sunday mornings for the presence of the power of God, so must I for the vision God has given me. Although I knew she was doing warfare for us, until that moment, I didn't get it that by witnessing it, I was being taught how to do the same warfare for my household. I didn't have to fumble at how, I had an example right before me.

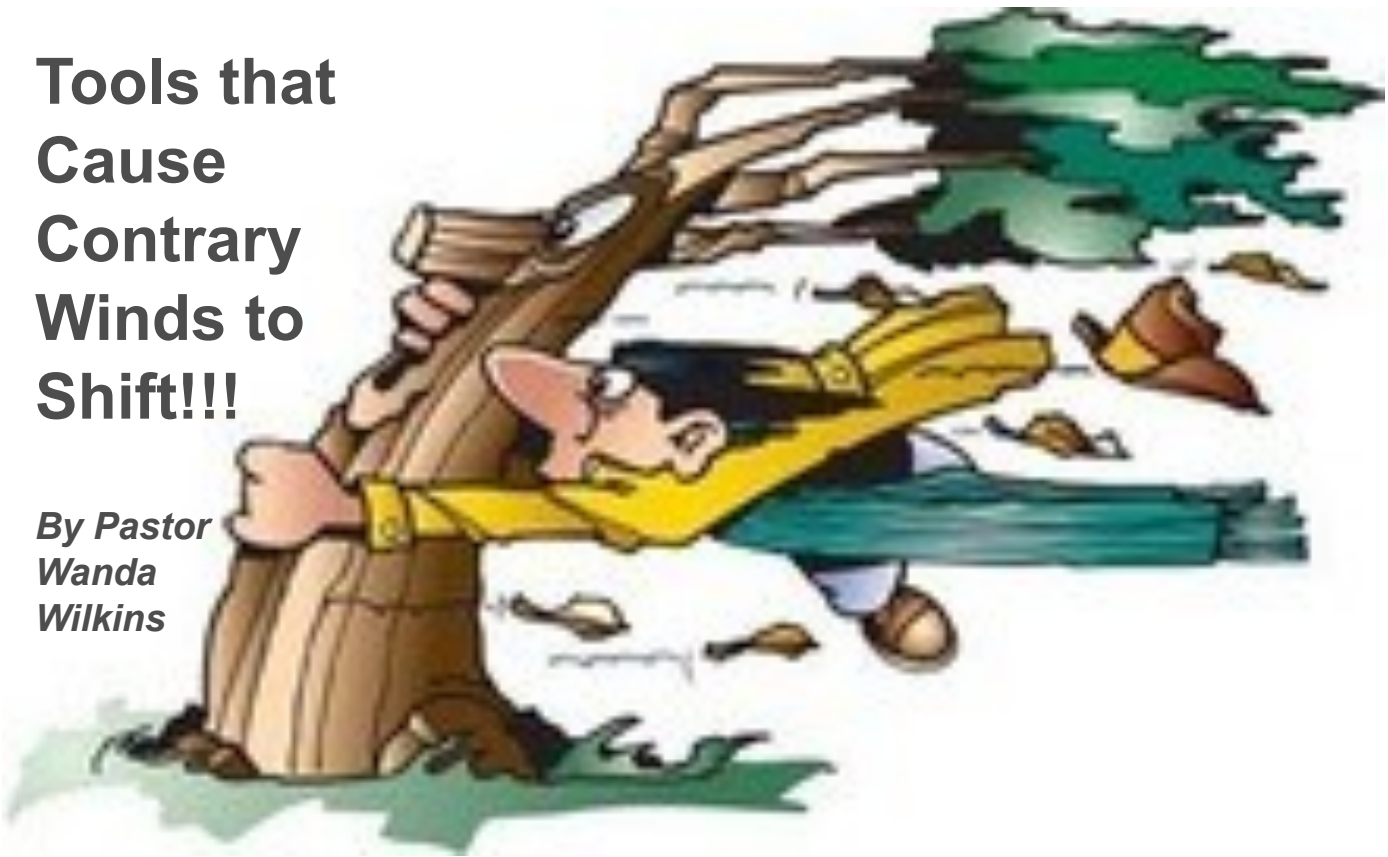

From that day until this one, I now pray in my sewing room each time I sit down to work, the difference is tangible. The hindrance I once felt is completely gone. I'm able to come up with ideas and follow up on them. Converting my drawings from two dimensional to three dimensional ones used to be very difficult, but now, I know to take it before the Lord and allow Him to show me how to do it.

I'm now better equipped as a disciple of Christ on how to function successfully in this earthly realm, and it starts with your place of worship.]

# Tools that Cause Contrary Winds to Shift!!!

*By Pastor Wanda Wilkins*

The World we live in is not perfect [that's a mild statement] and sometimes, we find ourselves in tough places in life that appear to be for our detriment. However, when you serve the One True and Living God, the God of Hope – because He loves us, because He is for us and not against us, because He delights in seeing us prosper and succeed -- He is always a very present help in trouble!

When we think about the vastness of His mercy, we cannot measure its depths! We cannot measure its heights! We cannot measure any aspect of it! The Bible says His mercy is from everlasting to everlasting (Psalm 103:17). How do you measure “from everlasting to everlasting”? You can't!!! I take this to mean His mercies can never come to an end!

You must do this: Take a moment now, and see yourself swimming in an endless ocean of mercy. Wow! We are constantly in a state of mercy with God! Regardless of whatever state you find yourself in, God has promised that His mercy is always present and plenteous unto all that will **call upon Him** (Ps. 86:5). The Hebrew definition of the word “call” is to call out to, to cry unto, to call forth, to invite (*Strong's Hebrew Dictionary – 07121 “Kawraw”*). Our calling out to, crying unto, calling forth and inviting God in our circumstances opens us up to an endless and enormous amount of mercy that's ready to flow towards our rescue in great depths! **Hebrews 4:16 invites us to come boldly to God's throne of grace in the time of need just so that we can receive His great mercy! So, cry out to God! Call upon Him! Invite Him in your affairs of life through prayer! Your circumstances will change!**

Numerous times in the Word of God, we see God showing up with a demonstration of His power on behalf of those who took the time to praise and worship Him! Take a look at Moses and Joshua in Exodus 17:9-15. The presence and power of the Lord became their Banner of Victory! I have also experienced demonstrations of His miraculous power through my fervent praise and worship of Him. I have experienced His presence in great measures and have seen miraculous healings take place just by our praises and worship unto Him either in a group or in the privacy of our home, alone! He has promised to inhabit (take up residence in) the praises of His people, and once His presence comes in, He does what we cannot do in our own natural abilities! **Spend time with God through praising Him and worshipping Him!** (Read also Acts 16:16-32.) (continued on the next page)

In the book of James and chapter 3, our tongue is referenced as being a small member but like “the rudder of a ship” that changes the direction of the ship. That means we can change our direction by the words of our mouths, and the circumstances surrounding us. We’d better start speaking, now! Well, what are we going to say? We are going to say what God has promised! We can change the direction of our lives by speaking forth or declaring God’s promises! We want God’s agenda for our lives – the manifestation of His goodness – and not the agenda of the enemy! **Declare God’s promises out of your mouth and experience God’s agenda for your life!**

To summarize it all, **these powerful tools: Prayer, Praise and Worship, and Declaring God’s Promises**, have been given to us by God to cause the sometimes awry and contrary winds of this natural world to shift in the direction of His goodness for our lives, bringing about His agenda and not the unwanted agenda of the enemy. Standing firm, we will see great victories! Our God is Real and He is Faithful! |

### Salvation is Free! (continued from p.7)

To be born again, you use your mouth and you use your heart. First, you believe in your heart that God’s Word is true; then you confess it with your mouth because you believe it.

I want you to join me now in praying this prayer for salvation. Don’t just read it; make a conscious effort to speak these words from the very depths of your being. When you finish this prayer, you will be born gain:

Heavenly Father, in the Name of Jesus, I present myself to You.

I pray and ask Jesus to be Lord over my life. I believe it in my heart, so I say it with my mouth: “Jesus has been raised from the dead.” This moment, I make Him the Lord over my life.

Jesus, come into my heart. I believe this moment that I am saved, I say it now: “I am reborn. I am a Christian. I am a child of Almighty God.”

Now, thank God for making you His child. **Colossians 1:12** says, “Giving thanks unto the Father, which hath made us meet to be partakers of the inheritance of the saints in light.” You have just been made a partaker of an inheritance from God. **You have just inherited the kingdom of God!**
